a versatile 4-in-1 laser MFP

With laser printing, colour scanning, digital copying and efficient faxing in one space-saving design, the SAMSUNG SCX-4521F four-in-one offers businesses quality documents and improved productivity.

compact design with powerful performance

The SAMSUNG SCX-4521F takes up a tiny 374 x 438mm square on your desk, standing only 368mm high and weighing 10.4Kg. Its two-tone shell makes your office simple and refined.

Some other all-in-one printers tend to force users to take more space and less multi-function but the SAMSUNG SCX-4521F's underlying features are designed to safeguard user's space and lower cost to the maximum.

You get professional printing, scanning and flatbed copying in one space-saving device that helps you maximise your office space.

favorite copy and ID card copy function

To use special copy feature quickly, you may press "Favorite Copy" button. Then you can find assigned special copy feature easily and you can enjoy the special feature and save time.

ID Copying allows copying of both sides of an ID or small document onto one sheet of paper. This also saves paper and time. This special function helps you to use very convenient ID copy or small document.

regular fax job plus PC fax

The SAMSUNG SCX-4521F is an efficient fax. It also has the ability to send a fax document directly from your PC via the supplied SmarThru 4 software.

Save time and paper by simply clicking on the "PC Fax" button from your computer.

superior the high-resolution scanning performance

The SAMSUNG SCX-4521F scans colour documents at 4,800dpi, in enhanced mode. As a scanner, the SAMSUNG SCX-4521F has excellent colour-matching and gradient

advanced OCR function

You can just use Optical Character Recognition (OCR) software to scan all that paper. OCR scans documents and transforms them into editable rich text.
